## WELCOME TO SARANAC LAKE

**SARANACLAKEARTWORKS.ORG**

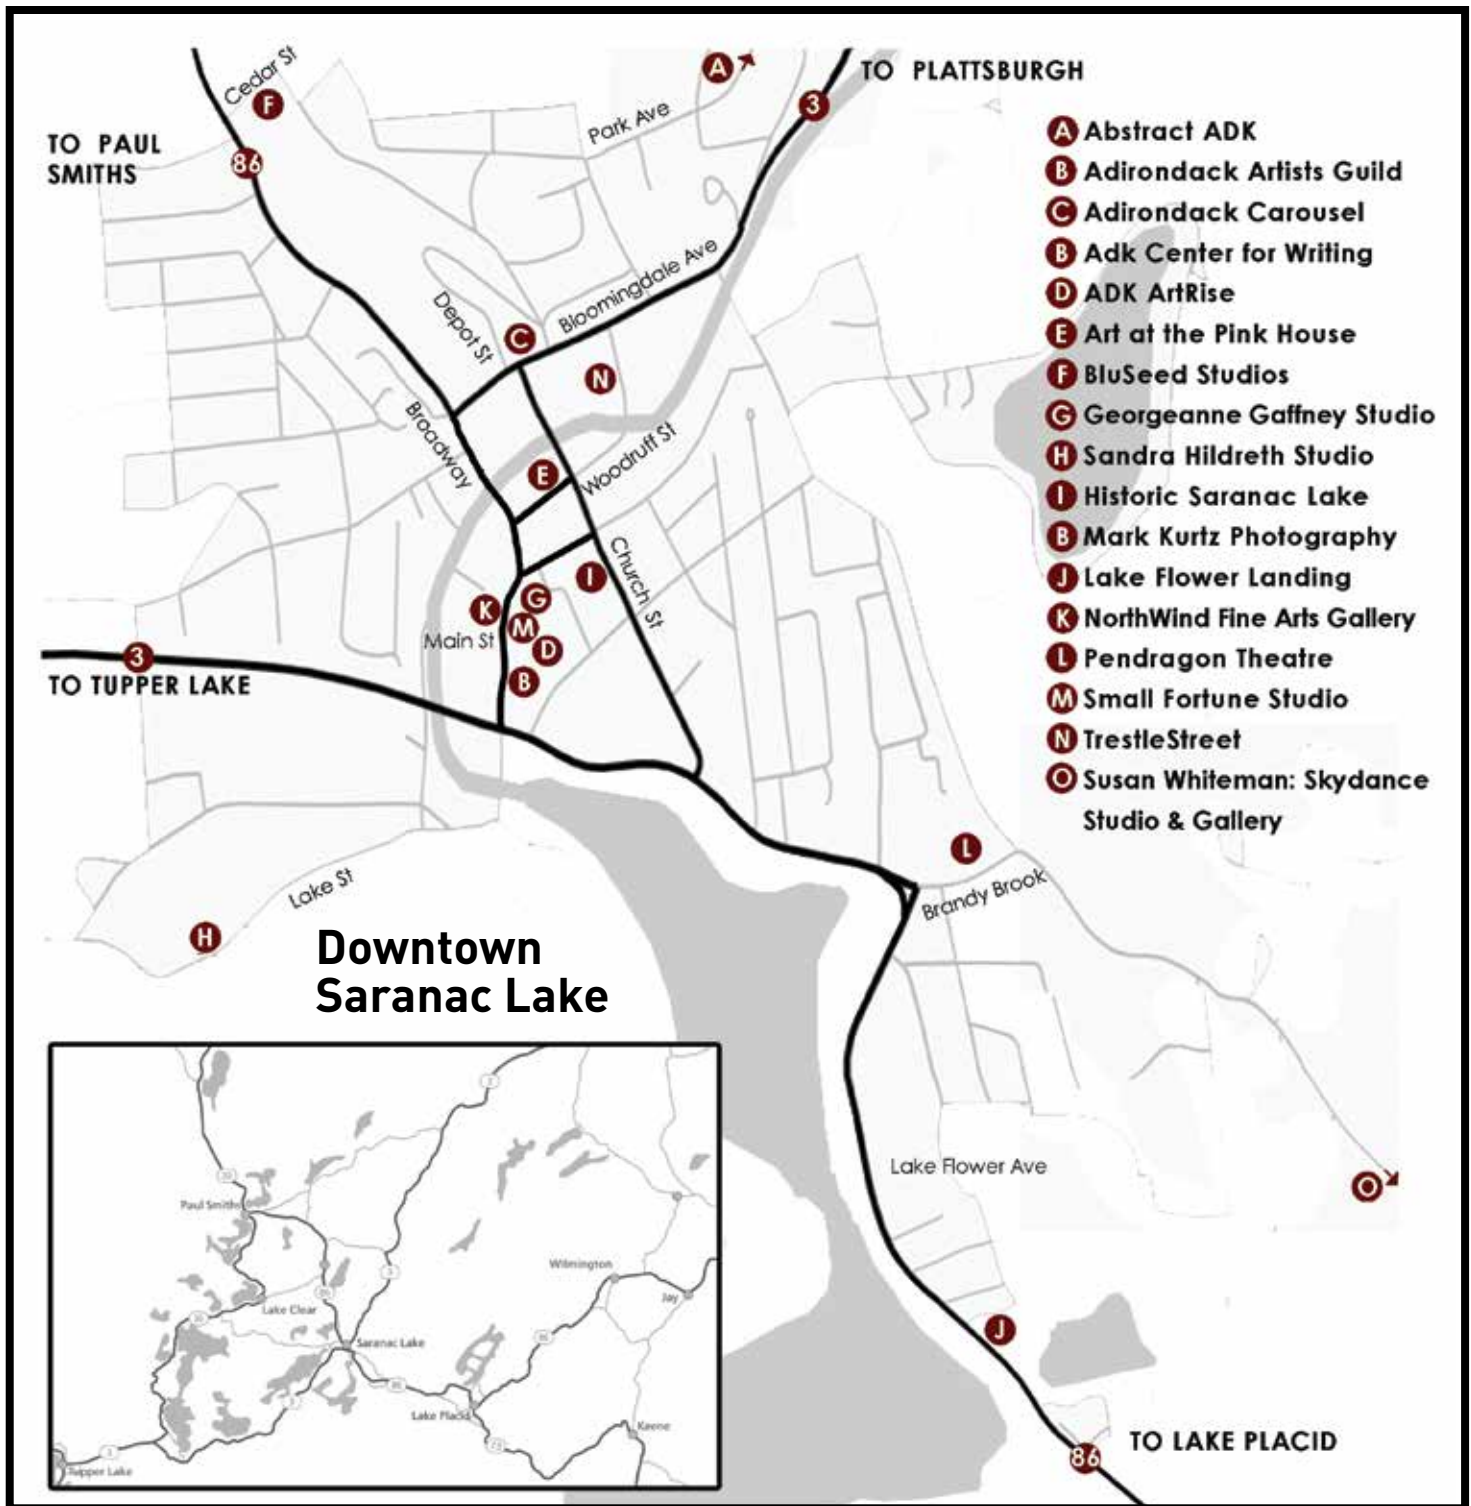

### **THE ARTS ARE THRIVING IN THE ADIRONDACKS!**

Our artists, musicians, performers and writers hone their craft and are extraordinarily productive, with a long history of success. In 2022 BluSeed Studios is celebrating a 20th anniversary; the Adirondack Artists Guild a 25th anniversary and the 3rd Thursday ArtWalks have been going on longer than that. The Adirondack Carousel is still spinning and Pendragon Theatre and Historic Saranac Lake both have capital campaigns underway to fund building renovations: a new theatre and a new museum. Newly developed ArtRise continues to rise, providing creative activities for children and the general public. Tupper Arts, the Paul Smith's VIC, and the Downtown Artist Cellar in Malone are offering many new events.

New in 2022, the Adirondack Center for Writing is holding their first Kickass Writers Festival, August 19–20, which will compliment the huge Show & Sale of the Adirondack Plein Air Festival. Creativity will be contagious that weekend!

Saranac Lake has clearly become the “arts destination” of the Adirondacks/North Country region. The natural environment, the community, and the lifestyle seem to have particular appeal to those who value creativity, independence, and a deep appreciation for nature. The arts are a major contributor to community life and often the reason new families and businesses choose to make Saranac Lake their home.

What better place to live than one where you can hike or ski a mountain during the day, then attend a theatre performance, exhibit reception, or concert in the evening!

## ARTMARKETS & STUDIO TOURS JULY 30-31 & SEPT 24-25

Besides the full schedule of gallery exhibits and shows, ArtWorks also hosts some very special, outdoor, “meet the artist” opportunities. Visitors can enjoy the ArtMarket in Saranac Lake on Saturday and tour the Adirondacks to visit the artists in their studios on Sunday.

The ArtMarkets are outdoor fairs, much like a Farmers Market, that feature fine art, crafts, literary and performance arts by ArtWorks members. Tents are set up along the shore of beautiful Lake Flower, in Riverfront Park, near the junction of Church

Street and River Street, near the public boat launch. Hours will likely be 10-3.

The Studio Tour details will be finalized prior to each of the outdoor events and participating artists, galleries, maps and directions will be available on our website, at the ArtMarket, and at village art venues.

## THE ARTWALKS CELEBRATE OUR COMMUNITY

The 3rd Thursday ArtWalks are a tradition born from the creative mind of Saranac Lake artist Tim Fortune, who has had his Small Fortune Studio on Main Street for just about as long as the ArtWalks have existed. They happen on the third Thursday of June, July, August and September, mostly on Main Street sidewalks, from 5–7:30 pm.

The ArtWalks are a true community event. Local artists, craftspeople, designers, musicians, dancers, writers, performers, and those involved in any other creative endeavor are invited to participate. ArtWorks does request pre-registration and will assign a location to set up, but the artists and performers who come mainly just want to share what they do with the folks who live and visit here. For the community, it's a place to socialize, shop, and enjoy summer.

Students, beginners, and those experienced in the arts are all welcome as we celebrate the creativity that seems to flourish in Saranac Lake. From arts & crafts classes for tuberculosis patients “curing” in the village, to today's galleries and performance spaces, this town is an established “arts destination”. Poetry appears in windows and sidewalks and live music is frequently heard alongside the breeze off the lake.

And all that the Village of Saranac Lake has to offer is surrounded by the scenic beauty of nature and the abundant outdoor recreation available in the Adirondack Park!
