

FOR IMMEDIATE RELEASE

Boothe River Park Community Information Session on November 7th

Saranac Lake, NY - The Village of Saranac Lake invites community members to an information session on the development of Boothe River Park, a new outdoor space designed to bring residents and visitors closer to the scenic Saranac River. Join us on **Tuesday, November 7, from 5:00 to 7:00 PM in the Cantwell Room** at the Saranac Lake Free Library.

Boothe River Park will offer an inviting space for recreation, picnicking, riverside walks, and relaxation in the heart of Saranac Lake. During the session, project representatives will share details on the project's vision, timelines, and proposed features, with a focus on creating a welcoming space for all. This event also gives residents a chance to contribute ideas, ask questions, and share feedback on how the park can best serve the community.

We look forward to your participation and input as we work together to develop a park that will enrich the community for years to come.
