DECIDEDLY DIFFERENT SARANAC LAKE adirondacks, usa

My family and I bought our home in Saranac Lake over 13 years ago, choosing to live in this area because of the sense of community as well as the variety of activities. We love to paddle the lakes and rivers, hike the mountains, ski the trails, and we even dabble in a little mountain biking. Over the years we have watched our community grow, our businesses grow, and enjoyed the vibrant arts and history in our area. We enjoy seeing our neighbors and friends as we are walking through downtown and participating in community events throughout the year. We continue to learn new things about the area, meet new people, and we are always in awe at how the community comes together to support each other in times of need. Whether you are visiting the area or moving to the area we are sure you will enjoy it as much as we do.

Our small town in the heart of the Adirondacks welcomes you; the mountains, the beaches, farmers markets, winter events, the opportunities are endless. You'll find our lodging, our restaurants, art galleries, shops, and local music are unique and enjoyable. Every season is a wonderful time to visit, each offering distinct scenery, sunsets, and activities.

Relax, learn, heal, and explore. The Saranac Lake Area Chamber of Commerce and Welcome Center is here to show you our town.

Sincerely,

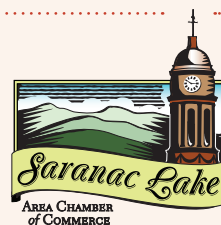

RACHEL KARP

BELVEDERE RESTAURANT

The Belvedere Restaurant is one of the oldest and continuously operating restaurants in the Adirondack Park, ably run by the Cavallo family since 1933. During this time, multiple generations of loyal customers have made history here, molding the Belvedere's reputation as a true local gem. As the new owner, John Levy is grateful to all the staff and customers who have supported this transition and honored to have the opportunity to continue this legacy. Whether you come by car, foot, or the multiuse Adirondack rail trail directly adjacent to the property, John welcomes you to join him in this new chapter. The Belvedere continues to offer authentic Italian cuisine with the love and care that built the Belvedere over nearly a century, while also expanding the menu with new items.

2022 SUMMER SEASON

ART is EVERYWHERE IN SARANAC LAKE

We are surrounded by art in our area both in our natural landscape as well as the galleries, studios, quirky bug sculptures, and art events throughout the year. Enjoy the Third Thursday Art Walks from June through September and stroll the streets of downtown Saranac Lake to see local artists, authors, musicians, and dancers show their talents. Do the Bug Crawl and find the seven sculptured bugs throughout the town (don't worry, these bugs don't bite!). Read the rainy-day sidewalk poetry and take a moment to admire all that surrounds us.

BLUSEED STUDIOS

While you are visiting the area stop at 24 Cedar St in Saranac Lake and visit BluSeed Studios, Community Arts Center. BluSeed introduces people to the arts by teaching basic skills in ceramics, sculpture, printmaking and more via workshops and classes. An ideal location for intimate events, exhibits, and reflection with easy parking and access to the rail trail. BluSeed also provides professional studio space for artists seeking creative growth or those who would like to experiment with different mediums. CAMPING

Car camping, island camping, backcountry camping, or maybe a cabin in the woods. Call the Welcome Center at 518-891-1990 for our favorite recommendations.

CAMPFIRE BAR & GRILL

The Adirondacks are about feeling warm, cozy, and refreshed; the Campfire Adirondack Grill and the Great Hall Bar help you find that state of mind in very distinct ways. The signature restaurant at the Hotel Saranac, Campfire Adirondack Grill + Bar has redefined the region's dining scene for breakfast, lunch, and dinner with its fun, fresh spin on Adirondack comfort food. One floor up, the Great Hall Bar is a quieter, more refined setting either at the bar or on a series of couches and lounge areas for enjoying snacks and a well-crafted cocktail. Looking for fresh air? Step out onto our second-story outdoor Terrace, located just off the historic Great Hall, and enjoy a beautiful downtown view with all your favorite food and drinks from our bar. What better spot to drink in the ambiance?

SARANAC WATERFRONT LODGE

Saranac Waterfront Lodge is the only full-service waterfront property on Lake Flower in the village of Saranac Lake welcoming travelers for all seasons. Inspired by the prominent philosophers, literary icons, artists, and performers who flocked to the Adirondacks in the early days as a reprieve from city life, Saranac Waterfront Lodge offers a nature-connected design and unique guest experience along with an idyllic location on the shores of Lake Flower's Pontiac Bay.

With 93 spacious guestrooms designed in an "Adirondack Modern" aesthetic, the hotel also offers multiple waterside dining options, an indoor heated pool and hot tub, lakeside firepits, waterfront meeting, wedding and event space, and full lake access by kayak, canoe, or motorboat rentals with private boat docks. Located within walking distance of downtown Saranac Lake, just a few miles from Lake Placid and 20 miles from Tupper Lake, Saranac Waterfront Lodge truly offers something for everyone, whether guests are searching for a quiet, restorative wellness retreat or an adventure-packed getaway.

Saranac Waterfront Lodge is the epitome of "lake meets mountain" style, with the outdoors woven into every aspect of the hotel. With soft, neutral colors and pops of plaid throughout, the interior spaces of the hotel provide a serene ambience. The hotel is pet-friendly, welcoming dogs up to 50lbs for an added fee, a portion of which is donated to the Tri Lakes Humane Society.

For foodies, the culinary delights at Saranac Waterfront Lodge are plentiful. Overlooking Lake Flower, the hotel's all-day dining venue, Boathouse Saranac Lake Pub, offers

elevated gastropub fare and regional craft brews. Featuring a modern industrial design and a large, boat-shaped bar, Boathouse, serves breakfast, lunch, and dinner daily, as well as brunch on weekends. The menu is complemented by a seasonal lakeside patio for outdoor dining and sunset watching. A more intimate dining experience is available at Harvest, Saranac Waterfront Lodge's upscale private dining room. Offering dinner seasonally on the weekends, the menu embraces locally sourced ingredients for a true farm-to-table experience. This richly decorated space holds up to 24 guests and is perfect for intimate meetings, festive celebrations, and private events. Guests can enjoy Afternoon Tea or cocktails in Navigator's Lounge, the modern lobby bar that invites visitors to kick-back and relax fireside while soaking in panoramic views of the Adirondack waterfront. Outside, cozy Adirondack chairs and multiple firepits allow guests to enjoy the timeless indulgence of gooey s'mores or a glass of their favorite wine by the water. During the warmer months, guests can dock at the lodge to enjoy a delightful sit-down meal in Boathouse or even have a meal delivered to their boat for a topside picnic.

With more than 3,000 square feet of event space, Saranac Waterfront Lodge offers a variety of options for weddings, meetings, and social events, surrounded by stunning views of the lake and mountains at every turn. Featuring one of the only four-season waterfront spaces in the region, the hotel offers event planning and customizable packages, with catering menus inspired by the local region and changing seasons. Saranac Waterfront Lodge is truly a centralized hub for the community and visitors alike for year-round activities for all seasons and events.
